About Vaccine Connect

[Vaccine Connect](#) is a buying group that works with pharmacies and physician offices throughout the country to access the best vaccine pricing available. We believe strongly in the mission of independent pharmacies and assist our members in providing the highest quality care at the lowest cost. Pharmacies can [register for their free VC membership](#) and then opt into our vaccine pricing programs with GSK, Moderna, Novavax, and Seqirus.

Program Details

GSK Loyalty: Your Independent Pharmacy can participate in the GSK program if you administer at least 50 doses of GSK Arexvy (RSV) per year. The program grants you exclusive access to discounts and rewards on all GSK vaccines listed above including Shingrix.

1.0 % Vaccine Connect reward: Members receive a 1.0% reward based on GSK purchases every six months from Vaccine Connect.

Free Shipping: All orders qualify for free shipping from GSKDirect.com.

2% Prompt Pay Discount: A 2% discount will be applied if invoice is paid within 60 days when purchasing thru GSKDirect.com. Please check with other wholesalers for details about prompt pay discounts.

How to opt into the GSK program (2 options)

For pharmacies with a GSKDirect.com account: Apply code "VACCONNECT_INDPHARM" to Add a New Contract in the CONTRACTS section of your account.

For pharmacies that purchase thru wholesalers: Please visit <https://tiny.vacconnect.com/gskpharmacy> to register.
